

Painting VINYL SIDING

The Paint Quality Institute reports that: *Top Quality Exterior Acrylic Latex Flat and Satin Paints Are Excellent for Vinyl Siding*

Benefits

- **Change to a Different Color** of your choice*
- **Regain Fresh, "New" Appearance**
- **Refresh Fading** that occurs as vinyl siding weathers
- **Long-lasting:** Rely on latest technology in top quality paint products

Requirements

- **Power Wash Thoroughly** to remove chalk, dirt and mildew
- **Use Top Quality Exterior 100% Acrylic House Paint**
 - priming not required
 - apply under proper weather conditions
 - apply at proper spread rate
 - use two coats for best performance
- **Use Flat or Satin Finish** depending on desired appearance
- **Employ a Quality-oriented Professional Painter**

* Important: Color should be no darker than the original color of the siding; generally, this will be white, off white or light pastel
